The presence of *The John Fredericks Show* in Washington D.C. is significant for conservative voices in Virginia, Maryland and D.C. The show provides to listeners an independent voice and a clean broker for the truth – not beholden to any faction, political agenda, strident ideology or issue-driven conglomerate.

Tom Moyer, General Manager of Salem Washington D.C. said, "The John Fredericks Show adds more local Virginia, as well as more national political coverage to AM 1260 The Answer. I'm thrilled to welcome John and his show to our airwaves."

Corey Lewandowski, Former Campaign Mgr. Trump for President and now Senior Advisor and Spokesperson, America First Action said, "John Fredericks has proved to be an invaluable voice for the Trump agenda in America. His fingers are on the pulse of the President's base and he was the first major media person in America to both predict Donald J. Trump's victory and endorse his candidacy. It's great to have his keen insight and powerful platform in Washington, D.C. for Salem Radio."

Curtis Ellis, Senior Policy Advisor for America First Policies said, "John Fredericks is a needed breath of fresh air on Washington DC radio, a refreshing antidote to dull as dishwater, bland-leading-the-bland talk radio. John is in a class by himself, unafraid to go after the sacred cows with both barrels. John has been fighting the good fight against the "America Last" globalists and their paid puppets in elected office. John stands up for the working people of America and fearlessly stands against the global slave traders and Wall Street "banksters" who outsource our jobs and industries to wherever they can find the cheapest labor on earth. John Fredericks didn't need anyone to tell him to get him on the Trump train - he was there first and was a one-man ticket window and train conductor helping tens of thousands get on the America First Express.
